Advantages of the Ware Academy of Music

A Five Star Rating*

Theory Classes are Guaranteed*

While maintaining high standards and excellent results, all theory classes are guaranteed. The guarantee is for students that try and do not pass. We wish to make the theoretical requirements as meaningful, painless and economical as possible. When students do not try or have behavioral problems, the guarantee is forfeited. Enroll when you have time to study, memorize, and practice. If a student tries and does not pass, they will be eligible to take the class again without paying any additional class fees if and when there is space in the class. See the school policy for further details.

Highly Qualified Instructors*

Instructors have multiple university music degrees. M.M. indicates a Master of Music, B.M. indicates a Bachelor of Music and B.M.E. indicates a Bachelor of Music Education.

Clear English Presentations*

Workshops*

Rudiments and Harmony classes are supported with extra workshop sessions year-round providing a forum for memory exercises and practical applications. Spring and Summer session history students also enjoy this advantage.

Testing and Mock Exams*

Weekly or Daily tests allow students and parents to constantly monitor progress. One full week of mock exams provide realistic expectations for exam results.

Class Hours

While many schools teach harmony and history classes in less than 30 hours, the Ware Academy of Music tries to maximize the available hours of class instruction.
